Structural Genomics Consortium

RRID:SCR_003890

Type: Tool

Proper Citation

Structural Genomics Consortium (RRID:SCR_003890)

Resource Information

URL: <http://www.thesgc.org/>

Proper Citation: Structural Genomics Consortium (RRID:SCR_003890)

Description: Charity registered in United Kingdom whose mission is to accelerate research in new areas of human biology and drug discovery. Not for profit, public-private partnership that carries out basic science of relevance to drug discovery whose core mandate is to determine 3D structures on large scale and cost effectively targeting human proteins of biomedical importance and proteins from human parasites that represent potential drug targets.

Abbreviations: SGC

Synonyms: Structural Genomics Consortium

Resource Type: portal, consortium, data or information resource, organization portal

Keywords: basic science, drug discovery, drug, structural genomics, genomics, 3d structure, protein, human parasite, drug target, structure, human protein, protocol, phylogenetic tree, histone tail, high-throughput protein crystallization, lex bubbling system, reagent, epigenetic probe, antibody, vector, plasmid, construct

Related Condition: Cancer, Diabetes, Obesity, Psychiatric disorder, Alzheimer

Funding: AbbVie ;
Boehringer Ingelheim ;
Canada Foundation for Innovation ;
Canadian Institutes of Health Research ;
Genome Canada ;
GlaxoSmithKline ;
Janssen ;
Lilly Canada ;
Novartis Research Foundation ;

Ontario Ministry of Economic Development Employment and Infrastructure ;
Pfizer ;
Takeda ;
Wellcome Trust

Availability: Restricted

Resource Name: Structural Genomics Consortium

Resource ID: SCR_003890

Alternate IDs: nlx_158220

Record Creation Time: 20220129T080221+0000

Record Last Update: 20260801T042541+0000

Ratings and Alerts

No rating or validation information has been found for Structural Genomics Consortium.

No alerts have been found for Structural Genomics Consortium.

Data and Source Information
