Proper Citation: GASSST (RRID:SCR_004413)

Description: Software that finds global alignments of short DNA sequences against large DNA banks. It is able to perform fast gapped alignments and works well for both short and longer reads. It has been tested for reads up to 500bp.

Abbreviations: GASSST

Synonyms: GASSST : Global Alignment Short Sequence Search Tool, Global Alignment Short Sequence Search Tool

Resource Type: software resource
