Analysis of Functional NeuroImages

RRID:SCR_005927

Type: Tool

Proper Citation

Analysis of Functional NeuroImages (RRID:SCR_005927)

Resource Information

URL: <http://afni.nimh.nih.gov/afni/>

Proper Citation: Analysis of Functional NeuroImages (RRID:SCR_005927)

Description: Set of (mostly) C programs that run on X11+Unix-based platforms (Linux, Mac OS X, Solaris, etc.) for processing, analyzing, and displaying functional MRI (fMRI) data defined over 3D volumes and over 2D cortical surface meshes. AFNI is freely distributed as source code plus some precompiled binaries.

Abbreviations: AFNI

Synonyms: AFNI NIfTI Server, AFNI and NIfTI Server

Resource Type: data visualization software, software toolkit, data analysis software, source code, software application, software resource, data processing software

Keywords: c program, unix, fmri, solaris, nifti-1 support, 2d surface analysis, 3d surface analysis, visualization

Funding: NIMH

Availability: Free, Open Source, Runs on Linux, Runs on Mac OS

Resource Name: Analysis of Functional NeuroImages

Resource ID: SCR_005927

Alternate IDs: nif-0000-00259

Alternate URLs: <http://www.nitrc.org/projects/afni>

Record Creation Time: 20220129T080233+0000

Record Last Update: 20260801T042606+0000

Ratings and Alerts

No rating or validation information has been found for Analysis of Functional NeuroImages.

No alerts have been found for Analysis of Functional NeuroImages.
