Human Epigenome Atlas

RRID:SCR_006153

Type: Tool

Proper Citation

Human Epigenome Atlas (RRID:SCR_006153)

Resource Information

URL: <http://www.genboree.org/epigenomeatlas/index.rhtml>

Proper Citation: Human Epigenome Atlas (RRID:SCR_006153)

Description: Collection of human reference epigenomes and results of their integrative and comparative analyses. Successive releases of the Atlas will provide progressively more detailed insights into locus-specific epigenomic states, including histone marks and DNA methylation marks across specific tissues and cell types, developmental stages, physiological conditions, genotypes, and disease states. The Human Epigenome Atlas is produced by the NIH Epigenomics Roadmap Consortium.

Abbreviations: Human Epigenome Atlas

Resource Type: data or information resource, atlas, reference atlas

Defining Citation: [PMID:20944597](#)

Keywords: locus, epigenomic state, histone, dna methylation, tissue, cell, developmental stage, physiological condition, genotype, disease state, exon, epigenome, epigenomics

Availability: Public; must adhere to the Data Access Policy

Resource Name: Human Epigenome Atlas

Resource ID: SCR_006153

Alternate IDs: nlx_151645

Alternate URLs: <http://www.genboree.org/site/>

Record Creation Time: 20220129T080234+0000

Record Last Update: 20260729T044128+0000

Ratings and Alerts

No rating or validation information has been found for Human Epigenome Atlas.

No alerts have been found for Human Epigenome Atlas.
