Arabidopsis Gene Regulatory Information Server

RRID:SCR_006928

Type: Tool

Proper Citation

Arabidopsis Gene Regulatory Information Server (RRID:SCR_006928)

Resource Information

URL: <http://arabidopsis.med.ohio-state.edu>

Proper Citation: Arabidopsis Gene Regulatory Information Server (RRID:SCR_006928)

Description: An information resource of Arabidopsis promoter sequences, transcription factors and their target genes that contains three databases. *AtcisDB consists of approximately 33,000 upstream regions of annotated Arabidopsis genes (TAIR9 release) with a description of experimentally validated and predicted cis-regulatory elements. *AtTFDB contains information on approximately 1,770 transcription factors (TFs). These TFs are grouped into 50 families, based on the presence of conserved domains. *AtRegNet contains 11,355 direct interactions between TFs and target genes. They provide free download of Arabidopsis thaliana cis-regulatory database (AtcisDB) and transcription factor database (AtTFDB).

Abbreviations: AGRIS

Resource Type: data or information resource, database

Defining Citation: [PMID:21059685](#), [PMID:16524982](#), [PMID:12820902](#)

Keywords: gene regulatory, gene, arabidopsis thaliana, promoter sequence, target gene, transcription factor, FASEB list

Funding: NSF

Availability: Free, Acknowledgement requested

Resource Name: Arabidopsis Gene Regulatory Information Server

Resource ID: SCR_006928

Alternate IDs: OMICS_00548, nif-0000-02540

Record Creation Time: 20220129T080238+0000

Ratings and Alerts

No rating or validation information has been found for Arabidopsis Gene Regulatory Information Server.

No alerts have been found for Arabidopsis Gene Regulatory Information Server.
