TargetDB: Structural Genomics Target Search

RRID:SCR_007960

Type: Tool

Proper Citation

TargetDB: Structural Genomics Target Search (RRID:SCR_007960)

Resource Information

URL: <http://targetdb.pdb.org/>

Proper Citation: TargetDB: Structural Genomics Target Search (RRID:SCR_007960)

Description: TargetDB, a target registration database, provides information on the experimental progress and status of targets selected for structure determination. Search sequences from the PSI Structural Genomics Centers and other Structural Genomics projects. For more information about how these proteins were cloned, expressed, purified, or other experimental protocols please go to the Protein expression, purification, and crystallization DataBase.

Synonyms: TargetDB

Resource Type: data or information resource, database

Resource Name: TargetDB: Structural Genomics Target Search

Resource ID: SCR_007960

Alternate IDs: nif-0000-03535

Record Creation Time: 20220129T080244+0000

Record Last Update: 20260821T193831+0000

Ratings and Alerts

No rating or validation information has been found for TargetDB: Structural Genomics Target Search.

No alerts have been found for TargetDB: Structural Genomics Target Search.

Data and Source Information

Usage and Citation Metrics

We found 19 mentions in open access literature.

Listed below are recent publications. The full list is available at [kravitz2](#) .
