Oregon National Primate Research Center

RRID:SCR_008291

Type: Tool

Proper Citation

Oregon National Primate Research Center (RRID:SCR_008291)

Resource Information

URL: <http://www.ohsu.edu/xd/research/centers-institutes/onprc/>

Proper Citation: Oregon National Primate Research Center (RRID:SCR_008291)

Description: Center that aims to develop biomedical technologies using nonhuman primate (NHP) models. Its goal is to uncover the root causes of various disease and disorders, unlock secrets of the brain, and unleash new methods of diagnostics and treatment.

Abbreviations: ONPRC

Synonyms: ONPRC

Resource Type: institution

Keywords: NPRC, NPRC Consortium, ORIP, enhancement, genetic, aids, animal, biomedical, brain, cancer, cure, delivery, depression, developmental, diabetes, diagnostic, disease, disorder, health, human, model, nonhuman, obesity, premature, primate, reproductive, research, scientific, stem cell, technology, therapy, treatment, vaccine

Funding: NIH Office of the Director P51 OD011092;
NIH Office of the Director U42 OD023038;
NIH Office of the Director U42 OD010426;
NIH Office of the Director R24 OD021324

Resource Name: Oregon National Primate Research Center

Resource ID: SCR_008291

Alternate IDs: Wikidata: Q7101277, Crossref funder ID: 100008143, nif-0000-24358, grid.410436.4, ISNI: 0000 0004 0619 6542

Alternate URLs: <https://ror.org/05fcfq67>

Record Creation Time: 20220129T080246+0000

Record Last Update: 20260801T190349+0000

Ratings and Alerts

No rating or validation information has been found for Oregon National Primate Research Center.

No alerts have been found for Oregon National Primate Research Center.
