Type: Tool

Proper Citation

Bioinformatics and Statistical Genetics (RRID:SCR_008589)

Resource Information

URL: <http://www.well.ox.ac.uk/bioinformatics-statistical-genetics>

Proper Citation: Bioinformatics and Statistical Genetics (RRID:SCR_008589)

Description: Bioinformatics, statistical genetics, functional genomics, databases and scientific computing support and services for The Wellcome Trust Centre for Human Genetics to support the disease gene cloning projects within the centre and to maintain independent research in development of methods, algorithms and software for mapping multifactorial trait loci. The group has current research foci in the areas of sequence alignment statistics, comparative genomics, ancestral haplotype construction, LIMS database development, QTL linkage and association methods, variability in patterns of linkage disequilibrium and multivariate modelling of quantitative traits.

Abbreviations: WTCHG

Resource Type: topical portal, data or information resource, portal

Resource Name: Bioinformatics and Statistical Genetics

Resource ID: SCR_008589

Alternate IDs: nif-0000-31894

Record Creation Time: 20220129T080248+0000

Record Last Update: 20260731T042750+0000

Ratings and Alerts

No rating or validation information has been found for Bioinformatics and Statistical Genetics.

No alerts have been found for Bioinformatics and Statistical Genetics.
