Proper Citation: University of Texas Southwestern Medical Center - Alzheimer's Disease Center (RRID:SCR_008836)

Description: A center dedicated to discovering treatments and providing preventative measures for Alzheimer's Disease. Research is strongly focused on brain changes in regards to healthy aging, mild cognitive impairment and other disorders, such as dementia. It aims to improve diagnostic measures and care giving techniques, discover more effective medical interventions, and understand the etiology of the disease and find an eventual cure. The center provides diagnostic evaluations of adult memory problems, as well as the opportunity to participate in clinical research to aid in finding better Alzheimer's treatments.

Abbreviations: UT Southwestern ADC, UTSW ADC

Synonyms: UT Southwestern Medical Center ADC

Resource Type: topical portal, data or information resource, portal, disease-related portal

Keywords: alzheimer's disease, mild cognitive impairment, dementia, aging, research, treatment, diagnosis, etiology, medical interventions, clinical research

Related Condition: Aging, Alzheimer's disease

Funding: NIA 1-P30-AG12300-16

Availability: Public

Resource Name: University of Texas Southwestern Medical Center - Alzheimer's Disease Center

Resource ID: SCR_008836

Alternate IDs: nlx_144638

Record Creation Time: 20220129T080249+0000
