Proper Citation: PATH (RRID:SCR_009042)

Description: Web application to investigate gene-gene interactions in genetic association studies designed to: 1. Interface your SNP data with biological information from several online bioinformatics databases. 2. Generate biologically plausible hypotheses for testing gene-gene interactions. 3. Select a subset of SNPs and conduct SNP-SNP interaction tests. 4. Store analysis results. 5. Explore analysis results through interactive plots and summary tables. (entry from Genetic Analysis Software), THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: PATH

Resource Type: software application, software resource

Keywords: gene, genetic, genomic, ms-windows, linux, FASEB list

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: PATH

Resource ID: SCR_009042

Alternate IDs: nlx_154015

Record Creation Time: 20220129T080250+0000

Record Last Update: 20260727T040449+0000

Ratings and Alerts

No rating or validation information has been found for PATH.
