World Data Center for Paleoclimatology

RRID:SCR_012149

Type: Tool

Proper Citation

World Data Center for Paleoclimatology (RRID:SCR_012149)

Resource Information

URL: <http://www.ncdc.noaa.gov/paleo>

Proper Citation: World Data Center for Paleoclimatology (RRID:SCR_012149)

Description: Data sets derived from paleo proxy evidence, including ice cores, tree rings, ocean and lake sediments, corals, cave deposits, loess, climate models. Includes raw data and reconstructions of past climate and environment.

Abbreviations: NCDC Paleoclimatology Data

Synonyms: National Climatic Data Center Paleoclimatology Data

Resource Type: data or information resource, data set

Keywords: climate, environment, global change, paleoclimatology, paleoecology, paleogeography, earth science

Funding: NOAA

Resource Name: World Data Center for Paleoclimatology

Resource ID: SCR_012149

Alternate IDs: rid_000059

Record Creation Time: 20220129T080308+0000

Record Last Update: 20260728T043402+0000

Ratings and Alerts

No rating or validation information has been found for World Data Center for Paleoclimatology.

No alerts have been found for World Data Center for Paleoclimatology.
