ECLIPSE

RRID:SCR_013130

Type: Tool

Proper Citation

ECLIPSE (RRID:SCR_013130)

Resource Information

URL: <http://www.stat.washington.edu/thompson/Genepi/Eclipse.shtml>

Proper Citation: ECLIPSE (RRID:SCR_013130)

Description: A set of three programs, preproc, eclipse2 and eclipse3 which analyze genetic marker data for genotypic errors and pedigree errors. Using a single preprocessing program (preproc), eclipse2 analyzes data on pairs of individuals, and eclipse3 analyzes data jointly on trios. (entry from Genetic Analysis Software)

Synonyms: Error Correcting Likelihoods In Pedigree Structure Estimation. PANGAEA

Resource Type: software application, software resource

Keywords: gene, genetic, genomic, c++, tested on, unix, (compaq tru64 v5.0a), bio.tools

Resource Name: ECLIPSE

Resource ID: SCR_013130

Alternate IDs: biotools:eclipse, nlx_154290

Alternate URLs: <https://bio.tools/eclipse>

Record Creation Time: 20220129T080314+0000

Record Last Update: 20260904T000443+0000

Ratings and Alerts

No rating or validation information has been found for ECLIPSE.

No alerts have been found for ECLIPSE.

Data and Source Information

Usage and Citation Metrics

We found 124 mentions in open access literature.

Listed below are recent publications. The full list is available at [kravitz2](#) .
