Neuroimaging Data Model

RRID:SCR_013667

Type: Tool

Proper Citation

Neuroimaging Data Model (RRID:SCR_013667)

Resource Information

URL: <http://nidm.nidash.org/>

Proper Citation: Neuroimaging Data Model (RRID:SCR_013667)

Description: Collection of specification documents that define extensions the the W3C PROV standard for the domain of human brain mapping. NIDM uses provenance information as a means to link components from different stages of the scientific research process from dataset descriptors and computational workflow, to derived data and publication.

Abbreviations: NIDM

Resource Type: data or information resource, data set, narrative resource, standard specification

Keywords: data sharing, neuroimaging, fmri, mri, dti, semantic web

Availability: Available to the research community

Resource Name: Neuroimaging Data Model

Resource ID: SCR_013667

Alternate URLs: <https://github.com/incf-nidash/nidm>

Record Creation Time: 20220129T080317+0000

Record Last Update: 20260729T044320+0000

Ratings and Alerts

No rating or validation information has been found for Neuroimaging Data Model.

No alerts have been found for Neuroimaging Data Model.

Data and Source Information
