Image Reader LAS-1000

RRID:SCR_014585

Type: Tool

Proper Citation

Image Reader LAS-1000 (RRID:SCR_014585)

Resource Information

URL: http://www.imb.sinica.edu.tw/core/publicfacilities/pdf/LAS-1000plus_om_e_ver2.pdf

Proper Citation: Image Reader LAS-1000 (RRID:SCR_014585)

Description: A software which is used to control the LAS-1000plus luminescent image analyzer. This software adjusts the focus, exposure time, sensitivity, and cooling temperature, and will record the data after the sample is scanned.

Resource Type: software application, software resource, data processing software, data acquisition software

Keywords: image analyzer, exposure, focus, sensitivity, cooling temperature, data, software

Availability: Commercial, Paired with a scanning system

Resource Name: Image Reader LAS-1000

Resource ID: SCR_014585

Record Creation Time: 20220129T080321+0000

Record Last Update: 20260729T044332+0000

Ratings and Alerts

No rating or validation information has been found for Image Reader LAS-1000.

No alerts have been found for Image Reader LAS-1000.
