MetaSearch (RRID:SCR_014751)

Resource Information

URL: <http://openneu.ro/metasearch>

Proper Citation: MetaSearch (RRID:SCR_014751)

Description: Web application search tool intended to help users find MRI data shared publicly on the Web, particularly from projects organized under the 1000 Functional Connectomes Project (FCP) and International Neuroimaging Data-sharing Initiative (INDI). Users can perform queries visually to select a cohort of participants with brain imaging data based on their demographics and phenotypic information and then link out to imaging measures.

Resource Type: software resource, web application

Keywords: web application, mri, mri data, open mri data, search tool, brain imaging data

Availability: Public

Resource Name: MetaSearch

Resource ID: SCR_014751

Alternate URLs: <https://github.com/OpenNeuroLab/metasearch>
<https://www.nitrc.org/projects/metasearch/>

License: Applicable with respect to the dataset used

Record Creation Time: 20220129T080322+0000

Record Last Update: 20260731T042924+0000

Ratings and Alerts

No rating or validation information has been found for MetaSearch.
