Vevo 2100

RRID:SCR_015816

Type: Tool

Proper Citation

Vevo 2100 (RRID:SCR_015816)

Resource Information

URL: <https://www.visualsonics.com/product/imaging-systems/vevo-2100>

Proper Citation: Vevo 2100 (RRID:SCR_015816)

Description: Imaging software for high-frequency processing and analysis. Some of its features include modes for blood flow quantification, single line acquisition, 3D-Mode imaging & volume analysis, nonlinear contrast imaging, and other image processing functions.

Synonyms: Vevo, Vevo® 2100 system, Vevo 2100 System

Resource Type: image analysis software, data management software, data acquisition software, software application, data processing software, software resource, image processing software, image acquisition software

Keywords: high-frequency imaging, imaging software, single line acquisition, blood flow quantification, 3d-imaging, nonlinear contrast

Availability: Commercially available, Available for purchase, Demo available

Resource Name: Vevo 2100

Resource ID: SCR_015816

Record Creation Time: 20220129T080327+0000

Record Last Update: 20260801T190739+0000

Ratings and Alerts

- Used for disease detection/diagnosis objective by the Human Islet Research Network community. Contact(s): [David Harlan](#), [Dale Greiner](#), [Rita Bortell](#) - Human

No alerts have been found for Vevo 2100.
