## OSort

RRID:SCR\_015869

Type: Tool

---

### Proper Citation

OSort (RRID:SCR\_015869)

---

### Resource Information

**URL:** <http://www.rutishauserlab.org/osort>

**Proper Citation:** OSort (RRID:SCR\_015869)

**Description:** Framework for spike sorting that includes tools for pre-processing, spike detection, spike sorting, and sorting quality evaluation. It is principally designed for sorting of single-wire microwire recordings in humans, but is being used for other types of recordings as well.

**Synonyms:** OSort: spike sorting package

**Resource Type:** data processing software, algorithm resource, data analysis software, data visualization software, software resource, software application

**Defining Citation:** [PMID:16488479](#)

**Keywords:** spike sorting, spike detection, single-wire microwire recording, neuroimaging, neuron recording

**Funding:** Gimbel Discovery Fund ;  
Howard Hughes Medical Institute ;  
Cedars-Sinai Medical Center

**Availability:** Open source, Available for download, Tutorial available

**Resource Name:** OSort

**Resource ID:** SCR\_015869

**Record Creation Time:** 20220129T080327+0000

**Record Last Update:** 20260731T042945+0000

---

### Ratings and Alerts

No rating or validation information has been found for OSort.

No alerts have been found for OSort.
