BioJupies

RRID:SCR_016346

Type: Tool

Proper Citation

BioJupies (RRID:SCR_016346)

Resource Information

URL: <https://amp.pharm.mssm.edu/biojupies/>

Proper Citation: BioJupies (RRID:SCR_016346)

Description: Software as an open source web server that automatically generates RNA-seq data analysis of jupyter notebooks. It allows creation and containment of documents that have live code, visualizations and narrative text.

Resource Type: software resource, web application

Keywords: automatically, generate, RNAseq, data, analysis, notebook, create, visualize, report, custom, raw, processed, user, interface

Availability: Free, Available for download, Freely available

Resource Name: BioJupies

Resource ID: SCR_016346

License: Creative Commons Attribution 4.0 International License

Record Creation Time: 20220129T080330+0000

Record Last Update: 20260731T042959+0000

Ratings and Alerts

No rating or validation information has been found for BioJupies.

No alerts have been found for BioJupies.

Data and Source Information

Usage and Citation Metrics

We found 65 mentions in open access literature.

Listed below are recent publications. The full list is available at [kravitz2](#) .
