Columbus Instruments: Oxymax-CLAMS

RRID:SCR_016718

Type: Tool

Proper Citation

Columbus Instruments: Oxymax-CLAMS (RRID:SCR_016718)

Resource Information

URL: <https://www.colinst.com/oxymax-clams>

Proper Citation: Columbus Instruments: Oxymax-CLAMS (RRID:SCR_016718)

Description: Instrumentation for monitoring behavior and physiology in lab animals by Columbus Instruments. Used for simultaneous multi parameter assessment of 1 to 32 test animals with automated operation for experiments lasting up to three days.

Abbreviations: CLAMS

Synonyms: Comprehensive Lab Animal Monitoring System

Resource Type: instrument resource

Keywords: instrument, monitor, behavior, physiology, lab animal

Availability: Commercially available

Resource Name: Columbus Instruments: Oxymax-CLAMS

Resource ID: SCR_016718

Alternate URLs:

https://physiology.case.edu/media/eq_manuals/eq_manual_clams_brochure.pdf

Old URLs: <http://www.colinst.com/>

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260725T190824+0000

Ratings and Alerts

No rating or validation information has been found for Columbus Instruments: Oxymax-CLAMS.

No alerts have been found for Columbus Instruments: Oxymax-CLAMS.
