## Kidney Precision Medicine Project

RRID:SCR\_016920

Type: Tool

---

### Proper Citation

Kidney Precision Medicine Project (RRID:SCR\_016920)

---

### Resource Information

**URL:** <https://kpmp.org>

**Proper Citation:** Kidney Precision Medicine Project (RRID:SCR\_016920)

**Description:** Project to ethically obtain and evaluate human kidney biopsies from participants with Acute Kidney Injury (AKI) or Chronic Kidney Disease (CKD), create a kidney tissue atlas, define disease subgroups, and identify critical cells, pathways, and targets for novel therapies. Used to develop the next generation of software tools to visualize and understand the various components of kidney diseases and to optimize data collection. Multi site collaboration comprised of patients, clinicians, and investigators from across the United States.

**Abbreviations:** KPMP

**Synonyms:** Kidney Precision Medicine Project, The Kidney Precision Medicine Project

**Resource Type:** project portal, consortium, data or information resource, portal, narrative resource, availability annotation standard, standard specification, topical portal, disease-related portal, organization portal, the community can contribute to this resource, nif annotation standard

**Keywords:** ethically, obtain, evaluate, human, kidney, biopsy, collaboration, patient, clinician, researcher, acute, injury, chronic, disease, tissue, atlas, cell, pathway, target, novel, therapy, data, collection

**Related Condition:** Acute Kidney Injury, Chronic Kidney Disease

**Funding:** NIDDK

**Availability:** Open resource for academics, industry, and the broader scientific community

**Resource Name:** Kidney Precision Medicine Project

**Resource ID:** SCR\_016920

**Record Creation Time:** 20220129T080332+0000

**Record Last Update:** 20260801T042803+0000

---

## Ratings and Alerts

No rating or validation information has been found for Kidney Precision Medicine Project.

No alerts have been found for Kidney Precision Medicine Project.
