NanoFilt

RRID:SCR_016966

Type: Tool

Proper Citation

NanoFilt (RRID:SCR_016966)

Resource Information

URL: <https://github.com/wdecoster/nanofilt>

Proper Citation: NanoFilt (RRID:SCR_016966)

Description: Software tool written in Python to perform its filtering based on mean read quality and GC content and read length. Used for filtering and trimming of long read sequencing data.

Resource Type: software resource, software application, data processing software

Keywords: filtering, trimming, long, sequencing, data, read

Availability: Free, Available for download, Freely available

Resource Name: NanoFilt

Resource ID: SCR_016966

Alternate URLs: <https://sources.debian.org/src/nanofilt/>

License: GNU General Public License v3.0

Record Creation Time: 20220129T080332+0000

Record Last Update: 20260731T043007+0000

Ratings and Alerts

No rating or validation information has been found for NanoFilt.

No alerts have been found for NanoFilt.

Data and Source Information

Usage and Citation Metrics

We found 268 mentions in open access literature.

Listed below are recent publications. The full list is available at [kravitz2](#) .
