IMGT HighV-QUEST

RRID:SCR_018196

Type: Tool

Proper Citation

IMGT HighV-QUEST (RRID:SCR_018196)

Resource Information

URL: <http://www.imgt.org/HighV-QUEST/home.action>

Proper Citation: IMGT HighV-QUEST (RRID:SCR_018196)

Description: Next generation B and T cell sequence alignment and characterization online surface by IMGT. Web portal for immunoglobulin (IG) or antibody and T cell receptor (TR) analysis from NGS high throughput and deep sequencing.

Synonyms: IMGT/HighV QUEST, IMGT/HighV-QUEST, IMGT web portal

Resource Type: software application, service resource, data or information resource, data processing software, software resource, alignment software, production service resource, analysis service resource, image analysis software, portal

Defining Citation: [PMID:22647994](#), [PMID:23995877](#), [PMID:22665256](#)

Keywords: Next generation sequencing, B cell, T cell, sequence alignment, immunoglobulin, antibody, T cell receptor, analysis, sequence, bio.tools

Funding: NHMRC ;
MESR ;
CNRS ;
Université Montpellier 2 ;
France ;
GENCI

Availability: Restricted

Resource Name: IMGT HighV-QUEST

Resource ID: SCR_018196

Alternate IDs: biotools:IMGt_HighV-QUEST

Alternate URLs: https://bio.tools/IMG_T_HighV-QUEST

Record Creation Time: 20220129T080339+0000

Record Last Update: 20260729T044438+0000

Ratings and Alerts

No rating or validation information has been found for IMG_T_HighV-QUEST.

No alerts have been found for IMG_T_HighV-QUEST.

Data and Source Information
