Proper Citation: Eppendorf: 5430 Microcentrifuge (RRID:SCR_019854)

Description: Cross-over Centrifuge 5430 and 5430 R combine the best features of a microcentrifuge (small footprint) and multipurpose centrifuge (versatility) in one instrument. These centrifuges spin rotors for Eppendorf tubes and PCR strips as you would expect from any microcentrifuge. But that's not all. In a compact size, Centrifuge 5430 and 5430 R also accommodate rotors for microplates and 15/50 mL conical tubes. Now, the rotor program has been expanded with additional Eppendorf QuickLock rotors. This includes 48-place rotors (1.5/2.0 mL), a 16-place rotor for Eppendorf Tubes 5.0 mL and a swing-bucket rotor (24 Ã— 1.5/2.0 mL). With their unmatched versatility, Centrifuge 5430 and Centrifuge 5430 R are the flagship products among the Eppendorf microcentrifuge portfolio. Available as keypad or knob variant

Resource Type: instrument resource

Keywords: Eppendorf, Microcentrifuge, Instrument Equipment, USEDit

Availability: Commercially available
