Proper Citation: Yale University Chemical and Biophysical Instrumentation Center Core Facility (RRID:SCR_021738)

Description: Core has range of instruments for characterization and structure elucidation of chemical and biophysical samples. Our staff maintains instruments and provides data collection services as well as training and support for self use of many of our instruments. We are most equipped in areas of NMR spectroscopy, Mass spectrometry and X-ray crystallography, but we also have optical and calorimetric instruments.

Abbreviations: CBIC

Synonyms: Yale Chemical and Biophysical Instrumentation Center

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF, NMR spectroscopy, Mass spectrometry, X-ray crystallography

Resource Name: Yale University Chemical and Biophysical Instrumentation Center Core Facility

Resource ID: SCR_021738

Alternate IDs: ABRF_1217

Alternate URLs: <https://coremarketplace.org/?FacilityID=1217>

Record Creation Time: 20220129T080357+0000

Record Last Update: 20260731T043110+0000

Ratings and Alerts

No rating or validation information has been found for Yale University Chemical and Biophysical Instrumentation Center Core Facility.

No alerts have been found for Yale University Chemical and Biophysical Instrumentation Center Core Facility.
