Harmony

RRID:SCR_022206

Type: Tool

Proper Citation

Harmony (RRID:SCR_022206)

Resource Information

URL: <https://github.com/immunogenomics/harmony>

Proper Citation: Harmony (RRID:SCR_022206)

Description: Software R package to project cells into shared embedding in which cells group by cell type rather than dataset specific conditions. Harmony simultaneously accounts for multiple experimental and biological factors. Used for integration of single cell data.

Synonyms: Harmony for immunogenomics

Resource Type: data processing software, software application, data analysis software, software resource

Defining Citation: [PMID:31740819](#)

Keywords: cells grouping, cell type, experimental factors, biological factors, single cell data integration

Funding: NIAID U19 AI111224;
NIH R01 AR063759;
NIH UH2 AR067677;
NIH T32 AR007530

Availability: Free, Available for download, Freely available

Resource Name: Harmony

Resource ID: SCR_022206

License: GNU GPL

Record Creation Time: 20220427T191217+0000

Record Last Update: 20260731T043120+0000

Ratings and Alerts

No rating or validation information has been found for Harmony.

No alerts have been found for Harmony.
