Tabula Sapiens

RRID:SCR_022314

Type: Tool

Proper Citation

Tabula Sapiens (RRID:SCR_022314)

Resource Information

URL: <https://tabula-sapiens-portal.ds.czbiohub.org/>

Proper Citation: Tabula Sapiens (RRID:SCR_022314)

Description: Single cell transcriptomic atlas of multiple organs from individual human donors. Multiple organ, single cell transcriptomic atlas of humans. Molecular reference atlas for cell types of human body. Provides molecular definition of these cell types and reveals many other aspects of human biology, including how same gene can be spliced differently in different cell types, how shared cell types in different tissues can have subtle differences in their identities, and how clones of immune system can be shared across tissues.

Resource Type: atlas, data or information resource

Defining Citation: [DOI:10.1101/2021.07.19.452956](https://doi.org/10.1101/2021.07.19.452956)

Keywords: Single cell transcriptomic atlas, multiple organs, human donors, molecular reference atlas

Related Condition: diabetes, cancer, hypertension, coronary artery disease, hyperlipidemia, bipolar, depression, deep vein thrombosis, flu, mitral regurgitation, osteopenia, venous thromboembolic disease, lupus, pulmonary hypertension, schizophrenia, seizure, asthma, atrial fibrillation, asplenia, eczema, hypercholesterolemia, chronic lung disease

Funding: Chan Zuckerberg Initiative

Availability: Free, Freely available

Resource Name: Tabula Sapiens

Resource ID: SCR_022314

Record Creation Time: 20220602T050139+0000

Ratings and Alerts

No rating or validation information has been found for Tabula Sapiens.

No alerts have been found for Tabula Sapiens.
