OpenPose

RRID:SCR_022362

Type: Tool

Proper Citation

OpenPose (RRID:SCR_022362)

Resource Information

URL: <https://edspace.american.edu/openbehavior/project/mmop/>

Proper Citation: OpenPose (RRID:SCR_022362)

Description: Software tool as multi subject keypoint detection library for real time pose estimation. Used to track behavior of monkeys in natural environments, without disrupting their typical pattern of behavior. Deep learning software system for body, face, hands, and foot estimation in monkeys.

Resource Type: software application, software resource, data analysis software, data processing software

Defining Citation: [DOI:10.1101/2021.01.28.428726](https://doi.org/10.1101/2021.01.28.428726)

Keywords: OpenBehavior, tracking limb orientation, behavior measurement, freely moving, realtime recording and analysis, video analysis

Availability: Free, Available for download, Freely available

Resource Name: OpenPose

Resource ID: SCR_022362

Alternate URLs: <https://github.com/CMU-Perceptual-Computing-Lab/openpose>

License: Academic or Non-Profit Organization Noncommercial Research Use License

Record Creation Time: 20220602T050140+0000

Record Last Update: 20260729T044535+0000

Ratings and Alerts

No rating or validation information has been found for OpenPose.

No alerts have been found for OpenPose.
