Proper Citation: University of Pennsylvania Perelman School of Medicine Positron Emission Tomography Center Core Facility (RRID:SCR_022429)

Description: Dedicated to continuing advancement of molecular imaging and seeks to build network of collaborators to conduct translational research using existing and new radiotracers to help better understand the diagnosis, physiology and treatment of multiple diseases. Educates referring clinicians and their patients about emerging benefits of PET/CT diagnostic procedures, other radiotracer imaging methods and radionuclide therapies as tools in their research and clinical practice. Provides opportunities and mentoring for individuals interested in pursuing work or collaborations within molecular imaging field. Provides scanners as well as cyclotron facility.

Synonyms: PET Center, University of Pennsylvania Perelman School of Medicine PET Center

Resource Type: core facility, service resource, access service resource

Keywords: USEDit, ABRF

Resource Name: University of Pennsylvania Perelman School of Medicine Positron Emission Tomography Center Core Facility

Resource ID: SCR_022429

Alternate IDs: ARBF_1431

Alternate URLs: <https://coremarketplace.org?citation=1&FacilityID=1431>
