Proper Citation: Corrplot (RRID:SCR_023081)

Description: Software R package as visual exploratory tool on correlation matrix that supports automatic variable reordering to help detect hidden patterns among variables.

Resource Type: software toolkit, software resource

Keywords: visual exploratory, correlation matrix, automatic variable reordering support, detect hidden patterns among variables,

Availability: Free, Available for download, Freely available

Resource Name: Corrplot

Resource ID: SCR_023081
