TEtranscripts

RRID:SCR_023208

Type: Tool

Proper Citation

TEtranscripts (RRID:SCR_023208)

Resource Information

URL: <https://github.com/mhammell-laboratory/TEtranscripts>

Proper Citation: TEtranscripts (RRID:SCR_023208)

Description: Software package for including transposable elements in differential enrichment analysis of sequencing datasets. Used for including transposable elements in differential expression analysis of RNA-seq datasets. RNAseq TE quantification tool.

Resource Type: software toolkit, software resource

Defining Citation: [PMID:26206304](#)

Keywords: Transposable Elements, transposable elements, RNAseq TE, sequencing datasets, RNAseq TE quantification

Funding: Rita Allen Foundation ;
NSF MCB 1159098;
NCI CA 045508

Availability: Free, Available for download, Freely available

Resource Name: TEtranscripts

Resource ID: SCR_023208

License: GPL v3

Record Creation Time: 20230131T050207+0000

Record Last Update: 20260803T040842+0000

Ratings and Alerts

No rating or validation information has been found for TEtranscripts.

No alerts have been found for TEtranscripts.
