Proper Citation: 3DHISTECH SlideViewer (RRID:SCR_024885)

Description: Software tool for working with whole slide images. Digital microscope application for supporting histopathological diagnostic workflow and microscope examination process. Advanced slide viewing software used in clinical pathology and research.

Synonyms: SlideViewer

Resource Type: software application, software resource

Keywords: 3DHISTECH Ltd, Digital microscope application, working with whole slide images, supporting histopathological diagnostic workflow, supporting microscope examination process,

Availability: Free, Available for download, Freely available

Resource Name: 3DHISTECH SlideViewer

Resource ID: SCR_024885

Record Creation Time: 20240117T050246+0000

Record Last Update: 20260810T040903+0000
