University of California Irvine Center for Neural Circuit Mapping Viral Core Facility

RRID:SCR_025573
Type: Tool

Proper Citation

University of California Irvine Center for Neural Circuit Mapping Viral Core Facility (RRID:SCR_025573)

Resource Information

URL: https://cncm.som.uci.edu/viral-core/

Proper Citation: University of California Irvine Center for Neural Circuit Mapping Viral Core Facility (RRID:SCR_025573)

Description: Viral production facility aims at development and production of viral vectors for in-vivo and in-vitro experimentation purposes. Equipment coupled with our expertise allows use to ensure high quality products. Provides all related sequence data, vector maps, plasmids and ready-to-use viruses once your orders are completed.

Synonyms: University of California Irvine Center for Neural Circuit Mapping Viral Core, Center for Neural Circuit Mapping Viral Core

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, viral vectors production, viral vectors development, viral vectors,

Availability: Open

Resource Name: University of California Irvine Center for Neural Circuit Mapping Viral Core Facility

Resource ID: SCR_025573

Alternate IDs: ABRF_2887

Alternate URLs: https://coremarketplace.org/?FacilityID=2887&citation=1

Record Creation Time: 20240802T053243+0000

Record Last Update: 20260731T043205+0000

Ratings and Alerts

No rating or validation information has been found for University of California Irvine Center for Neural Circuit Mapping Viral Core Facility.

No alerts have been found for University of California Irvine Center for Neural Circuit Mapping Viral Core Facility.
