Proper Citation: Cyagen Biosciences (RRID:SCR_026056)

Description: Global provider of genetically modified rodent models and innovative cell and gene therapy solutions for research and development, including: disease model development, AAV discovery, drug efficacy studies, and more.

Resource Type: commercial organization, organism supplier, biomaterial supply resource, material resource

Keywords: genetically modified, rodent models, cell, gene therapy, disease model development, AAV discovery, drug efficacy studies,

Resource Name: Cyagen Biosciences

Resource ID: SCR_026056

Alternate URLs: <https://www.findmice.org/repository>

Record Creation Time: 20241116T053255+0000

Record Last Update: 20260729T044632+0000
