Proper Citation: Integrated Proteome Resources (RRID:SCR_026109)

Description: Integrated proteome resources center in China to accelerate data sharing in proteomics. Composed of data submission system and proteome database. Submission system is established under the guidance of data-sharing policy made by ProteomeXchange consortium. Registered users can submit their proteomic datasets to iProX in public or private modes. Once associated manuscript has been published, dataset becomes automatically public.

Abbreviations: iProX

Resource Type: data or information resource, database

Defining Citation: [PMID:34871441](#)

Keywords: data sharing, proteomics, proteome database,

Availability: Free, Freely available

Resource Name: Integrated Proteome Resources

Resource ID: SCR_026109

Record Creation Time: 20241203T053255+0000

Record Last Update: 20260729T044631+0000
