Spatial DB

RRID:SCR_026135

Type: Tool

Proper Citation

Spatial DB (RRID:SCR_026135)

Resource Information

URL: <http://spatialomics.org/SpatialDB/>

Proper Citation: Spatial DB (RRID:SCR_026135)

Description: Database for spatially resolved transcriptomes. Provides curated spatially resolved transcriptomic data from published papers, aiming to provide comprehensive and accurate resource of spatial gene expression profiles in tissues. Allows users to browse spatial gene expression profile and compare spatial gene expression profile of any two datasets generated by same or different techniques side by side.

Resource Type: data or information resource, database

Defining Citation: [PMID:31713629](#)

Keywords: Spatially resolved transcriptomics, gene expression profiles, positional information, disease pathology, spatial gene expression profiles in tissues, curated data,

Funding: National Natural Science Foundation of China

Availability: Free, Freely available

Resource Name: Spatial DB

Resource ID: SCR_026135

Record Creation Time: 20241206T053307+0000

Record Last Update: 20260829T183420+0000

Ratings and Alerts

No rating or validation information has been found for Spatial DB.

No alerts have been found for Spatial DB.
