Emory University EPC Genomics Core Facility

RRID:SCR_026418

Type: Tool

Proper Citation

Emory University EPC Genomics Core Facility (RRID:SCR_026418)

Resource Information

URL: https://enprc.emory.edu/nhp_genomics_core/index.html

Proper Citation: Emory University EPC Genomics Core Facility (RRID:SCR_026418)

Description: Core offers assistance in experimental design, sample preparation, library prep, sequencing, data analysis and bioinformatics. Provides experience working with non-human primate genomes and other non-standard genomes in addition to the more commonly studied human and mouse genomes. Provides expertise in the use of transcriptomics and genomics to study immune responses and repertoires. Houses Illumina NovaSeq 6000 and Illumina MiSeq.

Synonyms: EPC Genomics Core

Resource Type: core facility, service resource, access service resource

Keywords: ABRF, experimental design, sample preparation, library prep, sequencing, data analysis, bioinformatics, non-human primate genomes, non-standard genomes, human and mouse genomes,

Resource Name: Emory University EPC Genomics Core Facility

Resource ID: SCR_026418

Alternate IDs: ABRF_3044

Alternate URLs: <https://coremarketplace.org/?FacilityID=3044&citation=1>

Record Creation Time: 20250212T060343+0000

Record Last Update: 20260731T043216+0000

Ratings and Alerts

No rating or validation information has been found for Emory University EPC Genomics Core Facility.

No alerts have been found for Emory University EPC Genomics Core Facility.
