## ArUco

RRID:SCR\_026572

Type: Tool

---

### Proper Citation

ArUco (RRID:SCR\_026572)

---

### Resource Information

**URL:** <https://github.com/tomcatsmith19/ArucoDetection>

**Proper Citation:** ArUco (RRID:SCR\_026572)

**Description:** Automated rodent behavioral scoring system, complete with 3D design files and code/software. System monitors behavioral engagement using open-source software. 3D design files and necessary software has been made available, as well as code that can be used for data analysis.

**Synonyms:** Augmented Reality University of Cordoba, Aruco

**Resource Type:** source code, software resource, instrument resource

**Defining Citation:** [DOI:10.1523/ENEURO.0500-23.2024](https://doi.org/10.1523/ENEURO.0500-23.2024)

**Keywords:** OpenBehavior, Aruco marker based tracking, pose estimation, rodent behavioral session,

**Funding:** NINDS R01NS110823;  
United States (US) Department of Veterans Affairs Rehabilitation Research and Development Service ;  
University of Texas at Dallas

**Availability:** Free, Available for download, Freely available

**Resource Name:** ArUco

**Resource ID:** SCR\_026572

**Alternate URLs:** <https://edspace.american.edu/openbehavior/project/aruco-markers/>

**Record Creation Time:** 20250314T060334+0000

**Record Last Update:** 20260801T042939+0000

---

## Ratings and Alerts

No rating or validation information has been found for ArUco.

No alerts have been found for ArUco.
