COACH

RRID:SCR_027684

Type: Tool

Proper Citation

COACH (RRID:SCR_027684)

Resource Information

URL: <https://aideepmed.com/COACH/>

Proper Citation: COACH (RRID:SCR_027684)

Description: Web application for protein-ligand binding site prediction. Starting from given structure of target proteins, COACH will generate complementray ligand binding site predictions using two comparative methods, TM-SITE and S-SITE, which recognize ligand-binding templates from the BioLiP protein function database by binding-specific substructure and sequence profile comparisons.

Synonyms: , COACH server

Resource Type: software resource, data access protocol, web service

Defining Citation: [PMID:23975762](#)

Keywords: protein-ligand binding site prediction, protein, ligand, binding site prediction,

Funding: NSF Career Award ;
NIGMS GM083107;
NIGMS GM084222

Availability: Free, Freely available

Resource Name: COACH

Resource ID: SCR_027684

Alternate URLs: <http://zhanglab.ccmb.med.umich.edu/COACH/>

Record Creation Time: 20251120T080608+0000

Record Last Update: 20260801T191414+0000

Ratings and Alerts

No rating or validation information has been found for COACH.

No alerts have been found for COACH.
