PIANO:Probabilistic Inference Autoencoder Networks for multi-Omics

RRID:SCR_027864

Type: Tool

Proper Citation

PIANO:Probabilistic Inference Autoencoder Networks for multi-Omics
(RRID:SCR_027864)

Resource Information

URL: <https://pypi.org/project/piano-integration/>

Proper Citation: PIANO:Probabilistic Inference Autoencoder Networks for multi-Omics
(RRID:SCR_027864)

Description: Software novel variational autoencoder framework for inferring integrated latent space representations for single cell transcriptomics data that uses a negative binomial generalized linear model for stronger batch correction, and code compilation for ten times faster training than existing tools. Enables superior analyses of multiple atlases, solving challenging integration tasks across sequencing platforms, development, and species, while simultaneously preserving desired biological signals.

Abbreviations: PIANO

Synonyms: piano

Resource Type: software resource, software application, source code

Defining Citation: [DOI:10.1101/2025.11.16.686778v2.full#sec-17](https://doi.org/10.1101/2025.11.16.686778v2.full#sec-17)

Keywords: Probabilistic Inference Autoencoder Networks, multi-Omics, variational autoencoder framework, inferring integrated latent space representations, single cell transcriptomics data,

Funding: NIMH UM1MH130981;
NIMH DP2MH140136;
NIMH 5T32MH065214

Availability: Free, Available for download, Freely available

Resource Name: PIANO:Probabilistic Inference Autoencoder Networks for multi-Omics

Resource ID: SCR_027864

Alternate URLs: <https://github.com/NingWang1729/piano>

License: GNU GPL v3

Record Creation Time: 20260110T054223+0000

Record Last Update: 20260731T043248+0000

Ratings and Alerts

No rating or validation information has been found for PIANO:Probabilistic Inference Autoencoder Networks for multi-Omics.

No alerts have been found for PIANO:Probabilistic Inference Autoencoder Networks for multi-Omics.
