IGOR Pro

RRID:SCR_000325

Type: Tool

Proper Citation

IGOR Pro (RRID:SCR_000325)

Resource Information

URL: <http://www.wavemetrics.com/products/igorpro/igorpro.htm>

Proper Citation: IGOR Pro (RRID:SCR_000325)

Description: Software used for visualizing and graphing data, image processing, and programming. It is designed for use by scientists and engineers and supports large data sets, evenly spaced data, and various data import formats. The software includes a suite of image processing operations for image filtering, manipulation, and quantification and is completely programmable.

Synonyms: Igor Pro - Technical graphing and data analysis, Igor Software

Resource Type: authoring tool, data analysis software, data processing software, data visualization software, software application, software resource

Keywords: commercial tool, electrophysiology, authoring tool, data visualization software, image processing, publication quality, interactive

Availability: Restricted

Resource Name: IGOR Pro

Resource ID: SCR_000325

Alternate IDs: nlx_156887, SCR_014216

Record Creation Time: 20220129T080200+0000

Record Last Update: 20260912T195507+0000

Ratings and Alerts

No rating or validation information has been found for IGOR Pro.
