RRID:SCR_001349

Type: Tool

Proper Citation

maSigPro (RRID:SCR_001349)

Resource Information

URL: <http://www.bioconductor.org/packages/release/bioc/html/maSigPro.html>

Proper Citation: maSigPro (RRID:SCR_001349)

Description: A regression based software package to find genes for which there are significant gene expression profile differences between experimental groups in time course microarray experiments.

Abbreviations: maSigPro

Synonyms: Significant Gene Expression Profile Differences in Time Course Microarray Data

Resource Type: software resource

Defining Citation: [PMID:16481333](#)

Keywords: differential expression, gene expression, time course, microarray

Availability: Free, Available for download, Freely available

Resource Name: maSigPro

Resource ID: SCR_001349

Alternate IDs: OMICS_01990

License: GNU General Public License, v2 or newer

Record Creation Time: 20220129T080207+0000

Record Last Update: 20260903T234435+0000

Ratings and Alerts

No rating or validation information has been found for maSigPro.

No alerts have been found for maSigPro.
