NCBI Genome

RRID:SCR_002474

Type: Tool

Proper Citation

NCBI Genome (RRID:SCR_002474)

Resource Information

URL: <http://www.ncbi.nlm.nih.gov/genome>

Proper Citation: NCBI Genome (RRID:SCR_002474)

Description: Database that organizes information on genomes including sequences, maps, chromosomes, assemblies, and annotations in six major organism groups: Archaea, Bacteria, Eukaryotes, Viruses, Viroids, and Plasmids. Genomes of over 1,200 organisms can be found in this database, representing both completely sequenced organisms and those for which sequencing is in progress. Users can browse by organism, and view genome maps and protein clusters. Links to other prokaryotic and archaeal genome projects, as well as BLAST tools and access to the rest of the NCBI online resources are available.

Abbreviations: Genome

Synonyms: Entrez Genomes, Entrez Genome, NCBI, Genome, Genome Database, Genome: Information by genome sequence

Resource Type: data or information resource, data repository, database, service resource, storage service resource

Keywords: chromosome, organelle, plasmid, viroid, virus, genome, sequence, map, assembly, annotation, gene mapping, dna, blast, protein cluster, gold standard

Availability: Free, Freely available

Resource Name: NCBI Genome

Resource ID: SCR_002474

Alternate IDs: nif-0000-02802, r3d100010785

Alternate URLs: <http://www.ncbi.nlm.nih.gov/entrez/query.fcgi?db=Genome>, <https://doi.org/10.17616/R3R89S>

Record Creation Time: 20220129T080213+0000

Record Last Update: 20260903T234527+0000

Ratings and Alerts

No rating or validation information has been found for NCBI Genome.

No alerts have been found for NCBI Genome.
