TurtleSeg

RRID:SCR_002605

Type: Tool

Proper Citation

TurtleSeg (RRID:SCR_002605)

Resource Information

URL: <http://www.turtleseg.org>

Proper Citation: TurtleSeg (RRID:SCR_002605)

Description: THIS RESOURCE IS NO LONGER IN SERVICE. Documented on January 14,2026. An interactive segmentation tool originally designed for 3D medical images. Accurate and automatic 3D medical image segmentation remains an elusive goal and manual intervention is often unavoidable. TurtleSeg implements techniques that allow the user to provide intuitive yet minimal interaction for guiding the 3D segmentation process.

Abbreviations: TurtleSeg

Synonyms: TurtleSeg - Interactive 3D Image Segmentation Software

Resource Type: data processing software, image analysis software, segmentation software, software application, software resource

Keywords: analyze, c++, computed tomography, dicom, intensity contour, microsoft, minc, magnetic resonance, nifti, segmentation, win32 (ms windows), windows, windows nt/2000, windows vista, windows xp

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: TurtleSeg

Resource ID: SCR_002605

Alternate IDs: nlx_156008

Alternate URLs: <http://www.nitrc.org/projects/turtleseg>

Record Creation Time: 20220129T080214+0000

Record Last Update: 20260912T195543+0000

Ratings and Alerts

No rating or validation information has been found for TurtleSeg.

No alerts have been found for TurtleSeg.
