SALT

RRID:SCR_003187

Type: Tool

Proper Citation

SALT (RRID:SCR_003187)

Resource Information

URL: <http://sourceforge.net/projects/salt1/>

Proper Citation: SALT (RRID:SCR_003187)

Description: Software that can accurately and sensitivity classify short reads of next-generation sequencing (NGS) into protein domain families. It is based on profile HMM and a supervised graph contribution algorithm. Compared to existing tools, it has high sensitivity and specificity in classifying short reads into their native domain families.

Abbreviations: SALT

Synonyms: SALT - Protein domain classifier

Resource Type: software resource

Defining Citation: [PMID:23782615](#)

Keywords: next-generation sequencing, protein, protein domain, short read, bio.tools

Availability: Free, Available for download, Freely available

Resource Name: SALT

Resource ID: SCR_003187

Alternate IDs: OMICS_01565, biotools:salt

Alternate URLs: <https://bio.tools/salt>

Record Creation Time: 20220129T080217+0000

Record Last Update: 20260919T195013+0000

Ratings and Alerts

No rating or validation information has been found for SALT.

No alerts have been found for SALT.
