CoIN

RRID:SCR_005332

Type: Tool

Proper Citation

CoIN (RRID:SCR_005332)

Resource Information

URL: <http://ikmbio.csie.ncku.edu.tw/coin/home.php>

Proper Citation: CoIN (RRID:SCR_005332)

Description: A web-based system that assess articles according to their term correlations among sentences. It employs the co-occurrence relations and their network centralities to evaluate the influence of biomedical terms from Comparative Toxicogenomics Database (CTD)., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: CoIN

Synonyms: Co-occurrence Interaction Nexus, CoIN: A network exploration for document triage, CoIN: Co-occurrence Interaction Nexus

Resource Type: service resource

Keywords: gene, disease, chemical, biomedical, association, document triage, database, FASEB list

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: CoIN

Resource ID: SCR_005332

Alternate IDs: OMICS_01177

Record Creation Time: 20220129T080229+0000

Record Last Update: 20260912T195624+0000

Ratings and Alerts

No rating or validation information has been found for CoIN.

No alerts have been found for CoIN.
