Manatee

RRID:SCR_005685

Type: Tool

Proper Citation

Manatee (RRID:SCR_005685)

Resource Information

URL: <http://manatee.sourceforge.net/>

Proper Citation: Manatee (RRID:SCR_005685)

Description: Manatee is a web-based gene evaluation and genome annotation tool; Manatee can store and view annotation for prokaryotic and eukaryotic genomes. The Manatee interface allows biologists to quickly identify genes and make high quality functional assignments, such as GO classifications, using search data, paralogous families, and annotation suggestions generated from automated analysis. Manatee can be downloaded and installed to run under the CGI area of a web server, such as Apache. Platform: Online tool, Linux compatible, Solaris

Abbreviations: Manatee

Resource Type: software resource

Keywords: gene, genome, annotation, ontology or annotation browser, ontology or annotation editor

Availability: Open unspecified license - Free for academic use

Resource Name: Manatee

Resource ID: SCR_005685

Alternate IDs: nlx_149128

Record Creation Time: 20220129T080231+0000

Record Last Update: 20260903T234818+0000

Ratings and Alerts

No rating or validation information has been found for Manatee.

No alerts have been found for Manatee.
