Hepatitis C Virus Database (HCVdb)

RRID:SCR_005718

Type: Tool

Proper Citation

Hepatitis C Virus Database (HCVdb) (RRID:SCR_005718)

Resource Information

URL: <http://www.hcvdb.org/>

Proper Citation: Hepatitis C Virus Database (HCVdb) (RRID:SCR_005718)

Description: The Hepatitis C Virus Database (HCVdb) is a cooperative project of several groups with the mission of providing to the scientific community studying the hepatitis C virus a comprehensive battery of informational and analytical tools. The Viral Bioinformatics Resource Center (VBRC), the Immune Epitope Database and Analysis Resource (IEDB), the Broad Institute Microbial Sequencing Center (MSC), and the Los Alamos HCV Sequence Database (HCV-LANL) are combining forces to acquire and annotate data on Hepatitis C virus, and to develop and utilize new tools to facilitate the study of this group of organisms.

Abbreviations: HCVdb,

Synonyms: Hepatitis C Viral Database

Resource Type: analysis service resource, data analysis service, data or information resource, database, production service resource, service resource

Keywords: hepatitis c, hepatitis c virus, genome, gene, virus, ortholog comparison, ortholog

Related Condition: Hepatitis C virus

Funding: NIAID contract HHSN266200400036C

Resource Name: Hepatitis C Virus Database (HCVdb)

Resource ID: SCR_005718

Alternate IDs: nlx_149175

Record Creation Time: 20220129T080232+0000

Ratings and Alerts

No rating or validation information has been found for Hepatitis C Virus Database (HCVdb).

No alerts have been found for Hepatitis C Virus Database (HCVdb).
