Human Phenotype Ontology

RRID:SCR_006016

Type: Tool

Proper Citation

Human Phenotype Ontology (RRID:SCR_006016)

Resource Information

URL: <http://www.human-phenotype-ontology.org/>

Proper Citation: Human Phenotype Ontology (RRID:SCR_006016)

Description: Provides standardized vocabulary of phenotypic abnormalities encountered in human disease. Structured and controlled vocabulary for phenotypic features encountered in human hereditary and other disease. HPO is being developed in collaboration with members of OBO Foundry (Open Biological and Biomedical Ontologies), and logical definitions for HPO terms are being developed using PATO and a number of other ontologies including FMA, GO, ChEBI, and MPATH.

Abbreviations: HPO, HP

Synonyms: Human Phenotype Ontology (HPO), Human Phenotype Ontology

Resource Type: controlled vocabulary, data or information resource, ontology

Defining Citation: [PMID:20412080](#)

Keywords: phenotype, genetics, disease, phenomizer, obo, clinical, phenome, pathological, organismal, FASEB list

Related Condition: Monogenic disease, Hereditary disease

Availability: Free, Freely available

Resource Name: Human Phenotype Ontology

Resource ID: SCR_006016

Alternate IDs: SCR_006219, nlx_151406, nlx_151835

Alternate URLs: <http://purl.bioontology.org/ontology/HP>,
