DGldb

RRID:SCR_006608

Type: Tool

Proper Citation

DGldb (RRID:SCR_006608)

Resource Information

URL: <http://dgidb.genome.wustl.edu/>

Proper Citation: DGldb (RRID:SCR_006608)

Description: A database of drug-gene relationships that provides drug-gene interactions and potential druggability data given list of genes. There are about 15 data sources that are being aggregated by DGldb, with update date and these data sources are listed on this page: <http://dgidb.genome.wustl.edu/sources>, THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: DGldb

Synonyms: Drug-Gene Interaction database, Drug Gene Interaction Database

Resource Type: application programming interface, data access protocol, data or information resource, database, software resource

Defining Citation: [PMID:24122041](#)

Keywords: drug, gene, interaction, bio.tools, FASEB list

Related Condition: Cancer

Funding: NHGRI U54 HG003079

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: DGldb

Resource ID: SCR_006608

Alternate IDs: nlx_155686, biotools:DGldb, OMICS_01579

Alternate URLs: <https://bio.tools/DGldb>

Record Creation Time: 20220129T080237+0000

Record Last Update: 20260903T234838+0000

Ratings and Alerts

No rating or validation information has been found for DGIdb.

No alerts have been found for DGIdb.
