VIDA

RRID:SCR_007111

Type: Tool

Proper Citation

VIDA (RRID:SCR_007111)

Resource Information

URL: http://www.biochem.ucl.ac.uk/bsm/virus_database/VIDA3/VIDA.html

Proper Citation: VIDA (RRID:SCR_007111)

Description: VIDA contains a collection of homologous protein families derived from open reading frames from complete and partial virus genomes. For each family, users can get an alignment of the conserved regions, functional and taxonomy information, and links to DNA sequences and structures. * Search homologous protein families from particular virus families * Links to complete genome sequence: Arteriviridae, Coronaviridae, Herpesviridae, Poxviridae The Virus Database at University College London has been developed as a system to organize animal virus open reading frame sequences. All known and predicted protein sequences from complete and partial genomes of particular virus families are extracted from GenBank and filtered to remove 100% redundancy. On the basis of sequence similarity the sequences are then clustered into homologous protein families (HPFs). The families are enriched with annotations including function and functional classification, related protein structures, taxonomy, length of the proteins, boundaries of the conserved region/s, virus-specific gene name and links to EMBL entries and SWISSPROT., THIS RESOURCE IS NO LONGER IN SERVICE. Documented on September 16,2025.

Abbreviations: VIDA

Synonyms: Virus Database at University College London, Virus Database, VIDA Virus Database

Resource Type: data or information resource, data set

Defining Citation: [PMID:11125070](#)

Keywords: genomics, non-vertebrate, viral genome, homologous protein, hpf, viral genome, virus, bio.tools, FASEB list

Funding: BBSRC ;
MRC

Availability: THIS RESOURCE IS NO LONGER IN SERVICE

Resource Name: VIDA

Resource ID: SCR_007111

Alternate IDs: nif-0000-03628, biotools:vida

Alternate URLs: <https://bio.tools/vida>

Old URLs: http://www.biochem.ucl.ac.uk/bsm/virus_database/VIDA.html

Record Creation Time: 20220129T080239+0000

Record Last Update: 20260904T000609+0000

Ratings and Alerts

No rating or validation information has been found for VIDA.
